Rick,

Please find of my comments on this sales contract - especially that is not delivery and is arrival in Mailiao, Taiwan or in Ulsan, Korea (delivery as per CFR means when product pass the flange at the shipment port). Also we do not have to open a confirmed LC. Furthermore we need to have bank details where they want the LC. If you have a right contact person would be great...I can make contact and discuss, thank you

Best regards,  
Laurentiu Pascu
